Go Make a Difference

We believe the students of Pella Schools can and will go out and make a difference in our community and world. The students problem solved a topic of concern regarding America and came up with a plan to help with the issue or problem. Now the challenge is to follow through with actions, not just words or ideas, that is the only way to truly make a difference. The expectation is that your service will be done outside of the Middle School, unless discussed with Mrs. Schulz, Mrs. Knight, or Mr. Manning.

Complete your plan before May 1.
