BK Columbine was a school shooting in Colorado. The students took their lives and many others during the shooting.

If they are comparing the Pleasant Valley shooting and Columbine then the Pleasant Valley shooting must have been grosser.
 ↓
 meaning bloody!
 many deaths? injuries? publicized?

BK Urine drug tests are administered when you apply to certain jobs. Urine tests tell you if the person has any diseases and if they have used illegal drugs.

The school has zero tolerance now, so if you are caught with illegal drugs in your system then you will be expelled on the spot.
 Write text - can't hide it - we (school) mean business
 - school means business - no second chances - strict

Zero tolerance = Mess up, your done

BK The color red is usually associated with violence, blood, and gangs. The Nazis had red kerchiefs around their arms symbolizing that they were in charge.

The school doesn't want the color red worn because they think it will stop another shooting from occurring at Central.
 Violence in general

Summary: GIST + 2 details

At Pleasant Valley, a group of ^{students} A shot a bunch of kids and teachers, and Central and Brian, Avery, Silas, and Tom play basketball but Silas is a druggie and is now is increasing security. The next morning the school had installed metal detectors and hired people to inspect people's backpacks. Random urine tests will be administered to people on team sports and everyone.
