

Theory Pickin' Activity
English 3 Honors
Literary Theory Unit

- Choose a partner
- Draw two theories out of the hat
- Find a short story that can be legitimately analyzed from both lenses
- Prepare a presentation for your classmates that accomplishes the following:
 - ✓ Summarize your short story
 - ✓ Analyze the short story through the framework chosen
(Each partner is responsible for presenting the theory he chose)
 - ✓ Discuss commonalities and differences between the analyses
 - ✓ Prepare to field questions from your classmates and teacher
- The format of the presentation is entirely up to you; however, make it professional and engaging
- Make three copies of your short story for a class file

Presentations will begin on _____.
