

## Sparta

Sparta a place to live and be proud of your abilities you will get the chance to fight and prove your self to your family. We the warriors of Sparta the training begins at the young age of seven and you trained hard and rarely got married. You became a true Spartan at the age of 20 and you went off to war to prove that you could hold your own. you owned a farm and could be rich or poor but your dignity was the thing that drove you to the edge. If you lived in Athens you were told what to do and you could die in the war and the ten generals of the ten tribes would not care and you were considered worthless until you won of kill several hundred men but a sparten was considered a warrior after the first battle you survived. In Athens you had to pay taxes and if you were rich you were charged more to live there. Men ages 20-50 could be called up to war and may die over all Sparta was the place to live. As a Spartan we the people have worked hard to develop well military plans to defeat the Persians and other city-states. The Spartan people are very religious in their way of life. They have many gods that are on Mount Olympus.

- 1.) Sparta is a religious group.
- 2.) The Spartans may be harsh but being this way is the reason for our success.
- 3.) The Spartans can win wars and conquered foreign lands.
- 4.) Athens is full of cry babies.
- 5.) Athens cowers in fear and behind the government.
